

PRINT DESIGN (TEXTILES | WEDDING INVITES)

you can commission me to design prints for textiles and one-off bespoke designs for wedding invites.

printed / painted fabric can be commissioned and bought by the metre (see commissions process)

commissions for single printed textile items or small runs

bespoke designs for wedding invites

*please note that there are different costs for one-off bespoke designs and replicated designs (something i have made before).

COMMISSIONS

DESIGNS FOR WEDDING INVITES

initial email enquiry

followed by chat to get a feel for what you'd like to commission.

things to consider:

themes you'd like to work with

what scale / number of pieces

material choice (*material costs are additional and not included in design fee)

method of production (printed | painted)

budget for the piece

initial email enquiry

followed by chat to get a feel for what themes you'd like to work with. opportunity for you to share ideas, inspiration and intended budget for the invites.

one-off bespoke design £150

design time £150 per day

* printing the invites at the printers is an additional cost (not included in design fee)

DESIGN PROCESS:

design (costs vary for bespoke or replicated designs).

images of the initial design will be sent to you / followed by initial design review

i invite feedback on initial designs. i'm happy to make amendments but i ask that you are respectful of the time invested and creative energy this takes (full redesigns will be costed accordingly)

additional costs:
material / fabric*
printing invites*
full redesigns*

ALTERNATIVE PRICING STRUCTURES ARE AN OPTION.

payment in installments. payment can be split into more manageable installments in line with an agreed payment plan.

skill-sharing, swaps or exchanges – do you have a skill, a product or service that we could exchange like for like?
